Getting Started

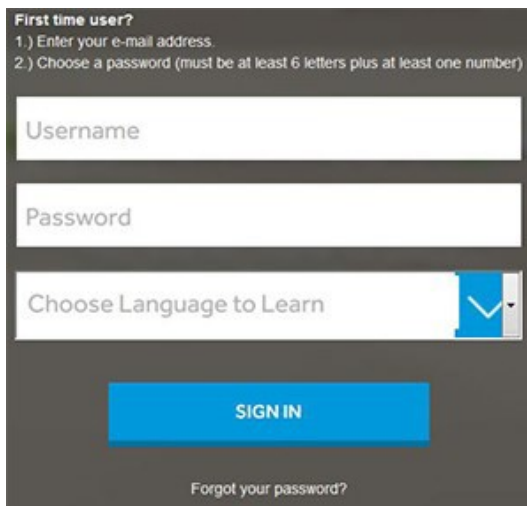

Sign up for a My Account at your local Army MWR Library. Not located near an Army MWR Library? Contact us at usarmy.mwr.library@mail.mil

Select Rosetta Stone from this list:

<http://mwrlibrary.armybiznet.com/screens/resources2.html>. You may be prompted to enter the Web login and PIN that you chose for your My Account. Next, click on the Rosetta Stone Library Solution link.

1. **First time users:** create a Rosetta Stone account by choosing a user name (email address), setting a password, and choosing a language to learn. Click the Sign In button.
2. **Returning users:** sign in with existing Rosetta Stone user name (email address) and password. Select a language.

Click on the Launch Rosetta Stone Language Lessons Version 3 link.

The screenshot shows a sign-in interface for first-time users. At the top, it says "First time user?" followed by instructions: "1.) Enter your e-mail address." and "2.) Choose a password (must be at least 6 letters plus at least one number)". Below these are three input fields: "Username", "Password", and "Choose Language to Learn" with a dropdown arrow. A blue "SIGN IN" button is centered at the bottom, with a "Forgot your password?" link below it.

Military Languages on a PC

Log in and launch Rosetta Stone. A full list of languages including several military languages will be presented. Choose from the list.

Changing the Language Course

To switch to a different language course, use the  icon on the top bar next to your language.

Forgot Your Password?

On the Rosetta Stone sign in screen, click "Forgot your password?" and enter your username (email address). A password reset email will be sent.

Using the Rosetta Stone Mobile App

(NO Military Languages are Available in App)

1. Download the Rosetta Stone app from the iOS App Store or Google Play store.
*** Do NOT sign in using the app sign in feature.**
2. Follow the Getting Started steps to create your Rosetta Stone account through the library's website.
3. Use your device's web browser to visit <http://mwrlibrary.armybiznet.com/screens/resources2.html>. Select Rosetta Stone.
4. Log in with your username and password.
5. Click on the Launch Rosetta Stone Language Lessons Version 3 link. Select "Open in Languages" to use Rosetta Stone in the app.
6. Change your language in the app once you're logged in by choosing the gear icon to see the list of languages. Make your new selection

***You must launch Rosetta Stone through the library website for each session**
