July 31 & August 1
6-7 pm

Pizza served

Family Outreach Center • 571 Rice Drive, Building 33512

Register no later than 1 business day before each event • Free

Designed for parents or guardians with children 0-12, this class focuses on promoting responsibility, independence and competence in children. It also promotes a participatory family structure by fostering responsibility, independence, and competence in children; improving communication between parents and children; and helping children learn the natural and logical consequences of their own choices.
