# Say "Hello" to the Faces of ACS!

ACS stands for Army Community Service and, although "Army" is the leading word, ACS provides services to all branches of the military; to include active duty Air Force, Navy, Marines, Coast Guard, National Guard, reservists, retirees and family members. ACS also offers programming to support DA Civilians. With over thirteen different programs offered on Fort Gordon, ACS has something for everyone! In the event that ACS doesn't offer the specialized training you're looking for, their friendly, trained staff will lead you in the right direction of where to look. # FAMILY OUTREACH CENTER

*Crystal Tyson, Editor & Ambili Alamery, LCSW*

Everyone searches for a safe haven – a place to go to feel safe during an emergency or to learn and expand their knowledge. For the Fort Gordon Community, the Family Outreach Center (FOC) is viewed as a place for both.

Fort Gordon, as well as the buildings, have an expansive history. While interviewing Lynn Harshman, Fort Gordon's Army Volunteer Coordinator since 1987, she reminisced on her days as the Station Chairman for the American Red Cross. "The original cinder block building constructed in the early 1960's belonged to the American Red Cross. During the Vietnam Conflict, ARC personnel were in the building 24/7. Prior to remodeling in 2003, the building contained a kitchen, bedroom, and shower in addition to a conference room and six offices – for

admin folks, caseworkers, and volunteers. When the American Red Cross vacated the building in 1997, it housed the DFMWR Community Life Center, the hub of volunteer programs throughout the installation."

What we now know as the FOC came to be in the early 2000's. The Family Outreach Center currently houses the New Parent Support Program (NPSP). Ambili Alamery, Acting Lead Social Worker of NPSP stated, "NPSP is one of the many programs under Army Community Service (ACS) and our mission is to build strong, healthy families by offering programs that prevent child maltreatment. Our expertise is parenting and we have a staff of three Licensed Clinical Social Workers currently providing services to families. We work with expectant parents as well as families

**WHERE YOU NEED US, WHEN YOU NEED US!**

with children ages 0-3. We are able to work with families one-on-one during home visits, addressing any parenting concerns or questions they might have. We also offer a number of classes – such as the Infant Massage Instruction Course and the Newborn Care Class. We also have four playgroups that are held at the FOC on a weekly basis – broken down by age groups – which parents attend with their children." Support groups like the Breastfeeding Support Group, Active Duty Parent Support Group and Family Support Group also are located there. "In addition to all of the scheduled activities, we have intermittent community cohesion programs that we offer families, like puppet shows, Story Time, and Craft Night."

Aside from the NPSP activities which take place at the FOC, it is also utilized by other ACS programs. Mobilization and Deployment for FRG connections meetings, Exceptional Family Members Program for support group meetings and

classes, Employment Readiness for job fairs, Family Advocacy Program for conflict resolution, stress management and trans-parenting classes, Financial Readiness for budgeting classes and the Volunteer Program for new volunteer orientation, just to name a few.

In addition, the FOC is utilized by Units and FRGs for meetings. Upon the remodeling in 2003, the FOC now has a training room for meetings, a lobby space for smaller, more informal gatherings, and has retained a small kitchen space. The FOC remains a central point in case of a need for an emergency hub; it can easily be transformed so counselors can be on site and chaplains can set up a call center and partition small spaces for families to come discuss problems.

Reservations are required and anyone interested in using the space can check for availability and requirement by contacting the FOC at 706-791-5220.

## SAC ART

The School Age Center (SAC) will enter their 4H Club submissions to the Georgia Carolina Fair. Students will enter submissions in the areas of photography, arts and crafts and needle work. Make sure you head down to the fair (details on page 6) to check out what the SAC children submitted this year.

## DYK?

Each school year, generally during the Fall, Military and federally connected parents are asked to complete and return an Impact Aid Survey. While many parents do complete the survey, there are still parents who do not for various reasons – unsure of how the information collected will be used, lack of confidence in how funding will be used, or they simply forgot to complete and return the survey. By turning in this survey, you can help make a difference at your school!

## BACK TO SCHOOL

SAC is into the swing of the school year. Kids have been doing an excellent job with homework and different clubs offered. They started the school year off with making sure all children using the Technology Lab completed a Computer and Internet Safety Course prior to being able to access the lab and ensured they attended an Anti-Bullying Class.

**THE STORY:** During an ostentatious wedding reception at a Knoxville, Tennessee, estate, five reluctant, identically clad bridesmaids hide out in an upstairs bedroom, each with her own reason to avoid the proceedings below. They are Frances, a painfully sweet but sheltered fundamentalist; Mindy, the cheerful, wise-cracking lesbian sister of the groom; Georgeanne, whose heartbreak over her own failed marriage triggers outrageous behavior; Meredith, the bride's younger sister whose precocious rebelliousness masks a dark secret; and Trisha, a jaded beauty whose die-hard cynicism about men is called into question when she meets Tripp, a charming bad-boy usher to whom there is more than meets the eye. As the afternoon wears on, these five very different women joyously discover a common bond in this wickedly funny, irreverent and touching celebration of the women's spirit.
