

CAR SEAT SAFETY

September 28, 2022

9:00 a.m.-12:00 p.m.

Family Outreach Center

Using a car seat, also called a child safety seat, is the best way to protect your kids when they're in a car. Join the New Parent Support Program in partnership with the Department of Public Health for an educational workshop about the importance of using a car seat, proper installation, and have your car seat or booster seat inspected by a certified passenger safety technician.
